## Legacy Donors contribute to help make lives better

Legacy giving happens when a gift is planned as part of an individual's estate.

Legacy donors play a crucial role in ensuring the long-term sustainability and success of BUH Foundation. These dedicated individuals choose to leave a lasting impact by including BUH Foundation in their estate plans or wills. As a result, they provide a significant source of support that can help fund innovative medical equipment and initiatives for years to come.

One of the key benefits of legacy giving is the ability to make a contribution without impacting one's current financial situation. By planning giving in advance, donors can ensure that their philanthropic goals are met while also providing for their loved ones. This type of giving allows individuals to leave a meaningful legacy and make a difference in the lives of others, even after they have passed away.

Legacy gifts are most often made through Wills, however some donors develop more creative ways to give back, whether it is through a gift of property like a house, farmland or investment securities etc.

For more information on Legacy giving please visit:  
[www.buhfoundation.com](http://www.buhfoundation.com)

*Our Vision:*

*Healthy People. Healthy Community. Healthcare for all.*

*Dr. Erik Engelbrecht, BUH Foundation Board Director*

# A Letter from the Executive Director

On behalf of the Battlefords Union Hospital Foundation, I am writing to express our deepest gratitude for your generous support and commitment to our mission. Your ongoing dedication has played a vital role in helping us achieve our goals and make a positive impact on the health and well-being of our community.

Thanks to your contributions, we have been able to provide essential resources and services to Battlefords Union Hospital and Battlefords Region Home Care (BRHC), ensuring that top-quality healthcare is accessible to all residents. Your generosity has helped fund state-of-the-art medical equipment and advanced training programs for healthcare professionals.

In the past year, your donations have directly impacted the lives of countless patients and their families. Your support has enabled us to enhance the hospital's capacity to deliver exceptional care, improve patient outcomes, and create a healing environment for those in need. We are humbled by your commitment to our cause and inspired by the difference you are making.

As we look to the future, we remain steadfast in our commitment to improving healthcare in our community. The ongoing support of donors like you is crucial in ensuring that we can continue to provide the highest standard of care to those who rely on Battlefords Union Hospital and BRHC. We are excited about the projects and initiatives that lie ahead, and we invite you to join us in our efforts to make a lasting impact on the health and well-being of our community.

We understand that your generosity comes from a place of compassion and a desire to make a difference. Your support does not go unnoticed, and we want to assure you that every donation, no matter how big or small, is greatly appreciated. Your contributions are not just financial, they are a testament to your belief in the power of community and your dedication to serving others.

On behalf of the Battlefords Union Hospital Foundation, I extend my heartfelt thanks to you once again for your continued support. Together, we can create a healthier and brighter future for our community.

With gratitude,

Executive Director  
Battlefords Union Hospital Foundation

*Our Mission:*

*To inspire our community by enhancing the healthcare experience through education, innovation and engagement.*

# Medication Matters

Investing in BUH Foundation creates positive change and sustainable growth.

The Battlefords Union Hospital Foundation is pleased to announce that we are over halfway to reaching our goal for our largest capital campaign, "Medication Matters." This campaign aims to provide Pyxis MedStations for every department at BUH.

The Pyxis MedStations are an automated medication dispensing systems that will greatly enhance patient care and safety at BUH. These MedStations use advanced technology to accurately dispense medications, reducing the potential for errors and ensuring that patients receive the correct medications in a timely manner.

By implementing the Pyxis MedStations in every department, BUH will be able to streamline medication management processes, improve workflow efficiency, and enhance medication safety for all patients. This will significantly contribute to the overall quality of care provided by the hospital.

The Battlefords Union Hospital Foundation is deeply grateful for the generous support of our donors and community members who have helped us reach this milestone. Their contributions have brought us closer to our goal of providing Pyxis MedStations for every department, ultimately benefiting patients and healthcare professionals alike.

We would like to extend our sincere appreciation to all those who have contributed thus far and encourage others to join us in supporting this crucial initiative. Together, we can ensure that every patient receives the highest level of care and that medication management remains a top priority at Battlefords Union Hospital.

To make a donation, call the  
Foundation office at 306 446-6652  
or visit [www.buhfoundation.com](http://www.buhfoundation.com)

# End of an Era

John Remail of JR's Designer Birdhouses retires after raising over \$77,000 for Battlefords Union Hospital Foundation

John Remail, the founder of JR's Designer Birdhouses, has recently announced his retirement after many years of dedicated service.

Throughout his career, John has gained recognition for his exceptional craftsmanship and creativity in designing one-of-a-kind birdhouses. However, it is not just his talent that sets him apart; John's generosity and commitment to the community have left a lasting impact.

continued...

Through the sale of these birdhouses, Battlefords Union Hospital Foundation has been able to raise significant funds to support local healthcare initiatives. The generosity of donors who purchase these birdhouses not only helps enhance the quality of healthcare services provided but also strengthens the overall healthcare system in The Battlefords.

As John Remail's retirement marks the end of an era for JR's Designer Birdhouses his legacy of philanthropy and artistic excellence will continue to inspire others. His contributions to the Battlefords Union Hospital Foundation and the local healthcare community have made a lasting impact, ensuring that future generations will benefit from his generosity.

There are a very limited number of birdhouses left. Please call our Foundation Office at 306 446-6652 or stop in if you are interested in purchasing one.
